Team 20
CSCC01 -- Deliverable 1 -- Marking Guidelines

9 + 30 + 6 = 45/50

1) Introduce the team: 9 out of 10

  team's name present: 1 / 1

  team logo present: 1 / 1

  picture of the entire team present: 1 / 1

  team's goals presented: 2 / 3
    spelling and grammar: 1 / 1
    clarity: 1 / 1
    realistic yet ambitious goals: 0 / 1 # Could be more ambitious :)

  team's strengths explained: 4 / 4
    spelling and grammar: 1 / 1
    clarity: 1 / 1
    makes good use of each member's background: 2 / 2

2) Introduce the team members: 30 out of 30

  I am assuming 5 members. If your team has four members,
  scale accordingly.

  for each member:
    approx 150 words: 1.1 1 1 1 1
    spelling and grammar: 1. 1 1 1 1 1
    clarity: 1. 1 1 1 1 1
    professionalism: 2. 2 2 2 2 2

  The members' introductions are consistent w.r.t. person (in
  first/third person), style, qualities/interests described, etc., so
  that the overall introduction reads well: 5 / 5

3) Team agreement: 6   out of 10

  methods of communication, including wait time for replies, clearly stated: 2 / 2
  meeting times arranged: 2 / 2

contingency planning (member is sick, missing meetings, not performing up to standards, etc.): 0 / 2

    # Nothing mentioned about contingencies.

use of version control is discussed: 1 / 2

    # Good, I want to see more in terms of branching, using PRs etc

some planning of individual roles: 1 / 2

    # Could have suggested a few individual roles, i.e. someone does spell check, someone leads backend development, someone designated to communicate with the TA / client etc
